Elmira club labels to note national soaring meets jubilee

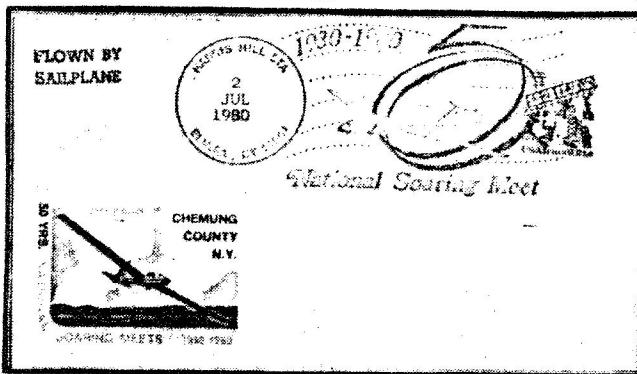

The Elmira Stamp Club will celebrate the 50th anniversary of national soaring meets by issuing a souvenir sheet of labels, a rubber stamped cachet, flight covers and cacheted covers in conjunction with the Standard Class National Soaring Championships to be held in Elmira, N.Y., July 1-10.

A special gummed, perforated souvenir sheet of labels has been prepared by the ESC which contains 12 four-color vignettes showing a sailplane over Harris Hill, Elmira, and eight labels showing the adopted logo for the anniversary celebration.

A single vignette plus logo is available for 15 cents plus a self-addressed, stamped envelope or a full sheet for \$2, which includes postage and flat mailing.

Orders should be sent to Robert D. Barron, 109 Grove St., Elmira, N.Y. 14901.

For the duration of the

championships, July 1-10, the club will use a rubber stamp cachet with the logo of the anniversary and the wording, "Harris Hill, Elmira, N.Y., July 1-10, 11th Standard Class Soaring Championships." The cachet is available for a self-addressed envelope plus 50¢.

In addition, there will be a mail-carrying glider flight marking the first such over the

Elmira area on July 2. Stan Smith, glider champion of 1933 and 1957 will be the pilot, and Floyd Sweet, former president of the Soaring Society of America and actively flying gliders since 1934, will be the copilot.

A special pictorial canceler, showing the anniversary logo, will be applied by the U.S. Postal Service on July 2 to mail.

Flight covers submitted must have the proper U.S. postage affixed plus a remittance of 75¢ for the vignette and cachet used as a backstamp. Covers to be flown must be received by the Elmira club no later than June 30.

A club spokesman suggests collectors use the Chanute airmail stamps on covers submitted, as the stamps are the only U.S. ones showing the motif of a glider.

The ESC will also prepare its own cacheted covers using the Chanute stamp. These covers, flown in a sailplane, will cost \$1.50 using one Chanute stamp, or \$1.75 using the pair of Chanute stamps. A self-addressed, stamped envelope is also required.

Additional information can be obtained from Barron for a self-addressed, stamped envelope.

Birthday

She will be as old as the century on Aug. 4, but Britain's beloved "Queen Mum" still cuts a lively figure on the country's cultural scene. And, as a new 12-pence postage stamp plainly shows, a fine-feathered figure on the country's envelopes. The stamp, the first ever honoring a dowager Queen, is part of a royal flush of tributes planned for the Queen Mother's 80th birthday. This week she will be feted for three days in her capacity as Lord Warden of the Cinque Ports. The 900-year-old post, always held by a man until she assumed it last year, no longer requires

its bearer to fight England's sea battles. It does, however give Elizabeth sovereign beachcombing rights to anything that washes up on England's southeastern shore. Birthday greetings in bottles for instance.
